Dear John,

Harold sent me a copy of his letter of 10/23 to you, concerning the FBI report on the spectrographic and other analysis.

I gather that what you were sent is CE 2003, pp. 131-135 (24H262-264).

The corresponding FBI CD, which Harold sent me, is CD 5, pp. 162-165. Except for an introductory note, it appears to be a verbatim retyping of the published lab report. (I haven't made a word-by-word comparison.) If it can be copied, I am enclosing page 162 from CD 5.

Sincerely,

Paul
